

Appln. No. 10/030,596

Attorney Docket No. 10541-751

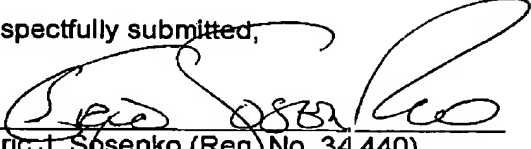

II. Remarks

In the office action, the examiner has required an election of a single disclosed species for prosecution on the merits. Three species were identified and categorized as follows: Species "a" represented by Figure 4, Species "b" represented by Figure 7, and Species "c" represented by Figure 8. Additionally, the examiner identified claims 1, 2 and 12 as being generic.

By this paper, Applicant elects the species of Figure 4. In making this election, Applicant deems all the claims 1-8 and 12 as being readable on the elected species, with claims 1, 2 and 12 being generic to all species.
